

Transportation Planner Position Available

Tri-County Regional Planning Commission (TCRPC) is seeking qualified candidates for the position of transportation planner. The Commission provides regional and county planning support for a diverse area of about 550,000 people and is the lead planning staff for the Harrisburg Metropolitan Planning Organization (MPO), which facilitates the implementation of a \$260 million, 4-year transportation improvement program.

The successful candidate will collect, compile and analyze transportation and socio-economic data for use in preparing technical studies and reports; assist in updating long range transportation plans; assume leadership responsibilities for the MPO project development process; and provide support for on-going public participation activities as well as other requirements necessary to maintain federal program compliance.

Local subdivision/land development, sewer module, zoning, and other plan reviews are expected as part of the job. Attendance at evening meetings to support the local planning assistance program will be required and the successful candidate will be expected to provide personal transportation to these meetings, mileage for which will be reimbursed as provided under the IRS code.

The ideal candidate will have at least three years of experience in transportation planning, a functioning knowledge of GIS, be comfortable working with databases, and hold a degree in planning. Strong writing, speaking, and graphic presentation skills are highly desirable. A working knowledge of planning concepts and trends, GIS and computer proficiency are expected. Familiarity with the PA Municipalities Planning Code (MPC) and MPO regulations is a plus.

Applicants will be evaluated on the basis of education and experience. Salary is commensurate with experience and the qualifications noted above.

TCRPC offers an excellent benefit package including medical, dental, vision and employee life insurance coverage. New employees are afforded 10 paid holidays, 10 sick days annually, as well as four days of paid time off and 10 days of vacation. Additional leave is given based on evening meeting hours. The Commission also offers a defined contribution retirement plan after six (6) months of employment.
